<b>Partners:</b>	Faculty of Pharmacy + Medical Service and Health Insurance Department + Ministry of Health.
<b>Supervision:</b>	Safety and Security Committees.
<b>Review and Development:</b>	Quality Assurance and Accreditation Office + Faculty of Pharmacy Deanery.

**Policy Statement:**

The University adheres to strict procedures related to controlling, collecting, transporting, recycling and disposing of hazardous materials, and all types of waste, including animals' residues and waste, in order to prevent and mitigate any possible effects on public health, and also on the surrounding environment (inside and outside the university). The procedures related to this policy recommend: use of recycled material, such as paper and water; and minimizing the use of plastic-based materials of different kinds.
