

The 15 initiative of “Your Winter is Warmer with ASU’s Pharmacy”

21-11-2024

The initiative labeled as “Your Winter is Warmer with Applied Pharmacy” was launched by the Community Service Committee at the faculty of pharmacy.

On Thursday the 21st of November 2024, blankets and food parcels were distributed to twenty-five families in Jabal Al-Joufah area in Amman. With the efforts of pharmacy students and the faculty’s employees who felt a societal and religious responsibility towards the needy families and orphans in our society to participate in this initiative.

ASU’s pharmacy continues to sow seeds of goodness in its students, offering the fruits of its labor to its community.
