

CURRICULUM VITAE

Dr Iman Amin Basheti, PhD

Professor in Clinical Pharmacy/Pharmacy Practice

Dean of Pharmacy, Applied Science Private University

Honorary Professor, Faculty of Pharmacy, University of Sydney

Highlights

- 2018 Board member in the Scientific Research and Innovation Support Fund, Medical and Pharmaceutical Sciences Sector Committee.
- 2018 The creative pharmacist award from the Jordanian Pharmaceutical Association
- 2017 Leadership and distinction Award. Conference for Jordanian Women in Health Professions, held under the patronage of Dr Faisal Al Fayez, Chairman of the Senate.
- 2017 ASU Distinguished Researcher Award (University level).
- 2017 ASU Award for the researcher with the highest number of publications in SCOPUS (University level).
- 2017 The Samia Mango Award for The Distinguished Women Researcher in Jordan, Hamdi Mango Center for Scientific Research (HMCSR), University of Jordan (UJ).
- 2017 Distinguished Supervisor Award at ASU Pharmacy Third Conference and The Third Conference of the Association of Faculties of Pharmacy at Jordanian Universities, April 2017.
- Honorary Professor, Faculty of Pharmacy, University of Sydney, November 2016.
- 2016 Distinguished Researcher Award over the History of Applied Science Private University.
- ASU Best Researcher Award for the years 2016 (Faculty Level); 2015 (University Level), 2014 (Faculty Level), 2013 (Faculty Level) and 2012 (University Level).

- Excellence in Teaching Award, University of Sydney and Sydney University Honorary Academic (2008-2012).
- 2008 The “Young Investigator of the Year prize”, Sydney, Australia,
- Chair of the ASU-Pharmacy Annual conference (held on December 2014, December 2015, and April 2017, Amman, Jordan)
- Chair of the ASU International Medical Conference (held in collaboration with the Faculty of Nursing, December 2014 and March 2016, Amman, Jordan).
- Reviewer to many prestigious International and National Journals, such as the British Medical Journal, Respiratory Care, Journal of Asthma, Primary Care Respiratory Medicine, Evidence-Based Complementary and Alternative Medicine, BMC Medical Journal, the Jordan Journal of Applied Sciences and the Expert Review of Respiratory Medicine.
- Head of the Pharmaceutical Care Unit at Ibn AlHaitham Hospital (Amman, Jordan)
- More than 65 conference presentations/published Abstracts
- More than 55 publications in National and International Journals, with Impact Factor reaching 12.
- Numerous publications and two book chapters focusing on exploring various educational methods to maximise the effectiveness of Pharmacy Education.
- Supervisor to 15 PhD/Master students from Sydney University (Australia), Jordan University (Jordan). Petra University and ASU (Jordan).
- External examiner to 12 Master/PhD students from Sydney University (Australia), Jordan University (Jordan) and Petra University (Jordan).
- Primary Researcher in 6 Grants obtained between 2009 and 2015.

Current research interests:

- Asthma research, working in collaboration with researchers from the Woolcock Institute of Medical Research, one of the top institutions in respiratory research worldwide.
- Value of the Medication Management Review Service in Jordan and the UAE, focusing on the pharmaceutical management of asthma, hypertension, cancer, diabetes, females with depression and anxiety, females with polycystic ovaries, females with breast cancer, females with rare health ailments and Syrian refugees.
- Syrian refuges: Post-traumatic stress disorders and role of the pharmacist.

Turning Research into Practice:

Numerous Baseti IA et al. publications have been sighted in International Therapeutic Guidelines, pharmacy related websites and educational books:

- GINA 'The Global Initiative for Asthma' Therapeutic Guidelines
The 'National Heart, Lung and blood Institute' Therapeutic Guidelines
(found at: <http://www.slideshare.net/urgenciasucc/guidelines-for-the-diagnosis-and-management-of-asthma-epr3-nhlbi-naepp-2007>)
- The current Australian Asthma Handbook
(found at: <http://www.astmahandbook.org.au/management/devices/inhaler-technique>.)
- The 2014 Australian NPS Medicine Wise (national prescribing service), which provides practical tools and evidence-based information about medicines, health conditions and medical tests.
(found at <http://www.nps.org.au/publications/health-professional/medicinewise-news/2014/asthma-steps-to-control>).
- The Asthma Australia website
(found at http://www.asthmant.org.au/HP/Puffing_Properly/)
- Books - 'Asthma, an Issue of Clinics in Chest Medicine' and 'Clinical Asthma: Theory and Practice' and 'Educational Evaluation; 21st century issues and challenges'.
- Educational Online Information Article for health care professionals in Australia, published by the National Asthma Council Australia. (*Inhaler technique in adults with asthma or COPD. An information paper for health professionals. National Asthma Council Australia, Melbourne, 2008.* (found at <http://www.nationalasthma.org.au/publication/inhaler-technique-in-adults-with-asthma-or-copd>.)

Grants

- 1- **2009** Assessing the impact of an effective counselling model on the clinical outcomes for patients with asthma.

- 2- **2009** Determining the treatment related problems for patients in Amman through medication reviews conducted by undergraduate pharmacy students.
- 3- **2013** Bridging the gap between theory and practice: effect of engaging real asthma patients in the training of pharmacy students on correct inhaler technique.
- 4- **2014** Assessing the effect of conducting Medication Management Review for patients with asthma and its effect on Forced Expiratory Volume (FEV1) and Asthma Control Test (ACT)
- 5- **2014** Assessment of the effectiveness of MMR-based changes in therapeutic management of outpatients on improving disease control.
- 6- **2015** Effect of an educational intervention on increasing Jordanian public knowledge and interest in purchasing handmade therapeutic soaps.
- 7- **2017** Studying the associated factors on the Syrian Refugees psychosocial health and post-traumatic stress disorder in Jordan.

Post-Graduate Student Supervision (PhD and Masters)

PhD Students

1. PhD student (Reem Alzayer) **2015 to date**. Her research involves Pharmacist delivery of asthma education among Arabic speakers in Australia. (Associate supervisor). The University of Sydney.
2. PhD student (Mariam Tomas) **2011 to date**. Her research involves maintaining health care management by community pharmacists. (Associate supervisor). The University of Sydney.

Masters Students

1. Shireen abualhommos. 2017 to date. Assessing the impact of asthma education on asthma management for hospitalized patients.
2. Zainab Malik. 2017 to date. Comparing asthma management and trigger factors for asthma patients in Jordan and Iraq.
3. Arwa Omar Noor. Assessing asthma prevalence, treatment and management for children and teenagers in Jordan.

4. Tahani Bah. 2017 to date. Investigating the value of the Medication Management Review Service for patients with Asthma.
5. Lana Salameh 2017 to date. Pharmacist Directed Medication Reconciliation Service for Reducing Medication Discrepancies among Medically Hospitalized Patients in Jordan: A Randomized Controlled Trial.
6. Kinda Alkoudsi. 2017 to date. The impact of a pharmaceutical care model for improving Polycystic Ovary Syndrome associated factors amongst females in Jordan and Syria.
7. Yara Alsalhi- 2016 to 2017. My Inhaler Tutor: The Impact of New Individualized Video in Improving Asthma Patient's Inhaler Use and Asthma Control. Applied Science University
8. Lana Anani- 2016 to 2017. Investigating associations between patients' factors and breast cancer amongst Jordanian women. (Associate supervisor). The University of Applied Sciences.
9. Yasmeeen Emad AbuNeha- 2016 to 2017. Value of the MMR service for females with mental conditions in Jordan. The University of Applied Sciences.
10. Lama Ali Baara- 2016 to 2017. Value of the MMR service for patients with diabetes. The University of Applied Sciences.
11. Majdolin Omar Alalaonah- 2016 to 2017. Value of the MMR service for refugee patients in Jordan. The University of Applied Sciences.
12. Omar Alebiedy- 2014 to 2016. Synergistic effect of Thymoquinone and Resveratrol against breast cancer implanted in mice (Associate supervisor). The university of applies sciences.
13. Lina Hisham Odeh- 2013 to 2015. Synergistic effect of thymoquinone and melatonin against breast cancer implanted in mice. (Associate supervisor). The university of applies sciences.
14. Mai Rezeq- 2013 to 2015. HMMR service for outpatients with chronic diseases recruited via chain pharmacies. (Associate supervisor). The University of Jordan.
15. Rajaa Qudah- 2013 to 2015. HMMR service for outpatients with chronic diseases recruited via Hospital Clinics. (Associate supervisor). The University of Jordan.
16. Zaina Hilal- 2012 to 2014. Medication Management Errors in Jordanian hospitals. (Associate supervisor). The University of AlPetra (Jordan).
17. Sami Saqfalhait- 2010 to 2012. Diabetes management and clinical pharmacy care. (Associate supervisor). The University of Sydney.
18. Raja Mohammad Dagash- 2010 - 2012. Genetic polymorphism of NPPA gene at rs5065 and prevalence of asthma among Jordanians: cross sectional observational study. (Associate supervisor). The University of Jordan.

19. Aameena Yousef- 2010 - 2012. Genotyping and asthma amongst Jordanians. (Associate supervisor). The University of Jordan.

International External Examination (PhD and Masters)

1. Lia Jahed (2013). Inhaler devices: Do patients have a preference and does it make a difference?. Faculty of Pharmacy. The University of Sydney (Masters)
2. Ludmila Anatolyevna Ovchinikova (2014). "Knowing how" is not enough: A mixed Methods Exploration of Inhaler Technique Maintenance in Patients with Asthma. Faculty of Pharmacy. The University of Sydney (PhD)
3. Sharon Davis (2015). Quality use of asthma medications in people with special needs degree of Doctor of Philosophy. Pharmacology. The University of Sydney (PhD)
4. Annim Mohammad (2017). Role of community pharmacists in enhancing health literacy of culturally and linguistically diverse (CALD) community members. Faculty of Pharmacy. The University of Sydney (PhD).

Academic record

Doctorate in Pharmacy

2002-2007 The impact of correcting inhaler technique: improved asthma outcomes with a simple intervention by community pharmacists. Faculty of Pharmacy, University of Sydney, Sydney. Five publications resulted from this work in International Journals with Impact Factor reaching 12.

Masters in Clinical Pharmacy (Graduate Diploma in Pharmaceutical Sciences)

2000-2002 Counselling about Turbuhaler technique: needs assessment and effective strategies for community pharmacies. Faculty of Pharmacy, University of Sydney, Australia. (Distinction/Equivalent to class one honour/Excellent).

Bachelor of Pharmacy

1994 / 1995 - Sydney University, Sydney, Australia.

1995 / 1999 - Applied Science Private University, Amman, Jordan.

Score- 89.7% (rating: Excellent/High distinction). Second position - Honour list of the 'University Board of Honours'.

Higher School Certificate

1993- Graduated with a TER of 96.66%. 'First of the year' award. Plumpton High school, Plumpton, Sydney, Australia.

Professional Experience in Pharmacy

2000- Awarded the registration of pharmacy certificate in Amman, Jordan.

2002- Awarded the registration of pharmacy certificate in NSW (after successfully completing the examination process of APEC).

2007- Completed the first stage of accreditation in Comprehensive Medication Management Review.

2000-2002 - Community Pharmacy work- Blooms the Chemist Riverstone, shop 1, Markettown, Riverstone 2765, NSW; Oxford Fullife Pharmacy, 1 Oxford St., Darlinghurst 2010, NSW.

2007 – Design/Implementation of Educational Workshops for the Pharmaceutical Society of Australia (PSA).

2008- Consultant (Comprehensive Medication Management Reviews) for the 'Elderlink Consolidated Services – Pharmacy Division' Company, Sydney, Australia

EMPLOYMENT

Academia

Teaching experience covered a wide variety of subjects and teaching modalities (Labs -wet and dry) and non-labs tutorials.

- **2003 - 2006 - University of Sydney**
 - Laboratory demonstrator for the following topics:
 - Integrated Dispensing, year 4, Faculty of pharmacy, University of Sydney, 2004.
 - Dispensing, year 3, Faculty of pharmacy, University of Sydney, Sydney, 2005.
- **2003 - 2007 - University of Sydney**
 - Pharmacy Practice, year 2, Faculty of pharmacy, University of Sydney, 2004 and 2005.
 - Pharmacy Practice, year 2, Faculty of pharmacy, University of Sydney, 2004.
 - Clinical Pathology, year 4, Faculty of pharmacy, University of Sydney, 2004, 2005.
 - Pharmacy Practice, year 3, Faculty of pharmacy, University of Sydney, 2005.
 - Pharmacy Practice, year 4, Faculty of pharmacy, University of Sydney, 2005.
 - Pharmacotherapeutics in practice, year 4, Faculty of pharmacy, University of Sydney, 2006.

- Pharmacotherapeutics in practice, year 4, Faculty of pharmacy, University of Sydney, 2007.
- **2007-2008 - University of Sydney**
 - Assistant lecturer at the Faculty of pharmacy, University of Sydney. Clinical practice. Fourth year Pharmacy.
- **2008 to 2012 - Faculty of Pharmacy, University of Sydney**
 - Honorary academic
 - PhD Postgraduate research supervisor
- **2009 to 2012 –Faculty of Pharmacy, Applied Science University**
 - Assigned as Assistant professor in Clinical Pharmacy in September 2009.
 - Courses taught: Undergraduate B.Pharm degree - Therapeutics I, Therapeutics II, and Therapeutics Laboratory; Hospital Pharmacy.
 - 2010 to 2012 - Dean Assistant for faculty development and hospital training
- **2012 to 2014 at Applied Sciences University**
 - Promoted to Associate Professor in Clinical Pharmacy in September 2012
 - Courses taught: Undergraduate B.Pharm degree - Therapeutics I, Therapeutics II, and Therapeutics Laboratory; Hospital Pharmacy.
 - Master’s Program: Advanced Statistics, Presentation Skills and Advanced Therapeutics.
 - 2012 to 2014 - Dean Assistant for faculty development and hospital training
- **2014 to date at ASU**
 - Dean of Faculty of Pharmacy
 - Promoted to Professor in Clinical Pharmacy in September 2016
- **2017 to date at ASU**
 - President Assistant for external relations

Other Achievements

2001- Senior First Aid Certificate, ST Johns Ambulance, Sydney.

2001- Certificate of Australian Community Pharmacy Management Course.

2001- Statistical analysis - Annual Scientific Meeting in Brisbane Convention Centre, Brisbane, Australia.

2002- PHD Scholarship from the University of Sydney (UPA).

2004- Scholarship -5th APRU Doctoral Students Conference, University of Sydney.

2004- Excellence in Teaching Award, nominated for by pharmacy students and the Faculty of Pharmacy, Sydney University.

2004- Certificate of Tutor and Demonstrator Training Management of Teaching and Learning course. Faculty of Pharmacy and Institute for Teaching and Learning, Sydney University.

2005 Certificate of “Thesis, Grant and Journal Article Writing Course”, Centenary Institute Lecture Theatre, Royal Prince Alfred Hospital.

2005- Member of the New York Academy of sciences. 2 East 63rd St., New York, NY10021.

2005- Member of the Australasian Society of Clinical and Experimental Pharmacologists.

2005- Member of the Australasian Pharmaceutical Science Association.

2005- ASCEPT-APSA 2005 oral prize finalists

2005- Certificate of "Principles and Practice of University Teaching and Learning program”

2006- “Best Poster Award” presented at the Asthma and Allergy poster session, at the Thoracic Society of Australia and New Zealand Conference, Canberra, Australia.

2006- Finalist (Oral presentation) at the College of Health Sciences and Medical Foundation Research Conference, Sydney University, Sydney.

2006 – Invited Speaker- Australian Asthma and Respiratory Educators Association conference, Woolcock Institute of Medical Research, Prince Alfred Hospital, Sydney.

2008- Awarded the “Young Investigator of the Year prize”, Sydney, Australia.

2009- Designed and Implemented educational workshops in collaboration with AstraZeneca Amman, Jordan.

2010- Developed the Virtual Pharmacy at the Faculty of Pharmacy, ASU

2012- Applied Science Private University Best Researcher Award (University level)

2013- Applied Science Private University Best Researcher Award (Faculty level)

2014- Applied Science Private University Best Researcher Award (Faculty level)

2014- Developed the Research Honorary Program at the Faculty of Pharmacy, ASU

2015- Applied Science Private University Invited Keynote Speaker at the 8th Medication Safety Conference, November, Abu Dhabi.

2015- Applied Science Private University Best Researcher Award (University level)

2016- Applied Science Private University Best Researcher Award (Faculty level)

2016- Applied Science Private University Best Researcher Award (Over the 25 years History of the University)

2016- Best Poster Presentation at the 2nd International Conference of the Jordanian Faculties of Pharmacy “JFP” held on 27-29/ October/2016 at Jordan University.

2017- -The Samia Mango Award for Distinguished Women Researcher, Hamdi Mango Center for Scientific Research (HMCSR), University of Jordan (UJ), 2017

2017- Distinguished Supervisor Award. ASU Pharmacy Third Conference and The Third Conference of the Association of Faculties of Pharmacy at Jordanian Universities, 2017

Conferences: published abstracts/posters/oral presentations:

1. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "A pilot study of the effect of three educational interventions on Turbuhaler technique in community Pharmacy". The 12th International Social Pharmacy Workshop Conference, Sydney, Australia, August 2002.
2. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "A pilot study of the effect of three educational interventions on Turbuhaler technique in community Pharmacy". Australasian Pharmaceutical Science Association Scientific meeting, Melbourne, Australia, December 2002.
3. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "Educating community pharmacists: correct PFM and inhaler technique for two different inhaler devices." The 13th International Social Pharmacy Workshop conference, Malta, July 2004.
4. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "Educating community pharmacists: correct PFM and inhaler technique for two different inhaler devices." 5th Association of Pacific Rim Universities Doctoral Students Conference, University of Sydney, Australia, August 2004.
5. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "Educating community pharmacists: correct PFM and inhaler technique for two different inhaler devices". The University of Sydney College of Health Sciences, 3rd research conference, Laura, Australia, September 2004.
6. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "Educating community pharmacists: correct PFM and inhaler technique for two different inhaler devices." Australasian Pharmaceutical Science Association Scientific Meeting, Melbourne, Australia, December 2004.
7. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "Educating community pharmacists: correct PFM and inhaler technique for two different inhaler devices". Thoracic Society of Australia and New Zealand Conference, Perth, Australia, March 2005.
8. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by Community Pharmacists". Woolcock Institute of Medical Research, Sydney, Australian, November 2005.
9. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by Community Pharmacists". Thoracic Society of Australia and New Zealand Conference, Canberra, Australia, March 2006.
10. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by

Community Pharmacists". American Thoracic Society International Conference, San Diego, California, USA, May 2006.

11. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by Community pharmacists". Australian Society for Medical Research Scientific Meeting, Royal Prince Alfred Hospital, Sydney, Australia, June 2006.
12. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by Community Pharmacists". Australian Asthma Conference, Adelaide, Australia, October 2006.
13. Basheti IA, Reddel HK, Armour CL and Bosnic-Anticevich SZ. "The Impact of Correcting Inhaler Technique: Improved Asthma Outcomes with a Simple Intervention by Community pharmacists". The University of Sydney College of Health Sciences, 4th research conference, Laura, Australia, November 2006.
14. Armour C, Basheti I, Bosnic-Anticevich S, Reddel H. The impact of correcting inhaler technique: improved asthma outcomes with a simple intervention by community pharmacists. American Thoracic Society. 2006.
