Memorandum of Understanding (MoU)

Between

Applied Science Private University (ASU)

And

Nobles for Sustainable Development

1. Purpose and Scope

The purpose of this agreement is to formalize the participation of the University as a **Strategic Partner** in the national medical campaign **"Al-Wedad"**. The parties seek to integrate academic expertise with humanitarian medical service to reach underprivileged populations in various Jordanian governorates.

2. Responsibilities of the University

- **Student Mobilization:** The University encourages qualified student volunteers, primarily from the **Faculty of Pharmacy** and **Faculty of Nursing**, to assist in field medical operation as long as it does not go against the university regulations
- **Logistical Support:** The University agrees to provide transportation (buses) to convey volunteers to and from the campaign sites across the Kingdom.as long as it doesn't go against its regulations.
- **Professional Representation:** The University designates a senior official (e.g., The Health Research Unit) to oversee the coordination and represent the institution during official campaign events.
- **Academic Supervision:** The University ensures that student participation maintains a high professional and scientific standard, reinforcing the "academic character" of the humanitarian mission.

3. Responsibilities of the Partner (Nobles for Sustainable Development)

- **Campaign Management:** The Partner shall oversee the "Al-Wedad" campaign as a "Mobile Hospital," providing specialized clinics, laboratory tests, and medications.
- **Safety and Coordination:** The Partner will coordinate with the **Royal Hashemite Court** and relevant ministries to ensure the safety and legal compliance of all field activities.
- **Recognition:** The Partner shall recognize the University as an **Official Partner** in all official reports, media releases, and social media platforms.
- **Reporting:** The Partner will provide the University with an official report detailing the number of beneficiaries and the impact of the University's contribution following each campaign cycle.

4. Mutual Benefits

- **Field Training:** Students gain practical, professional experience in a controlled medical environment.
- **National Impact:** Both parties contribute to the **Royal Vision** of health justice and sustainable community development.
- **Institutional Networking:** The University gains exposure and collaboration opportunities with government ministries and international organizations (e.g., ANERA).

5. Duration and Termination

This agreement shall remain in effect for the 2027 campaign cycles and is subject to renewal by mutual written consent. Either party may terminate the agreement with thirty (30) days' written notice.
